

EXPERIENCE

UI&UX Designer (Freelance)	2022 - Current
Designed user-centered web and mobile interfaces with a focus on usability, accessibility, and visual consistency. Collaborated with clients to craft engaging digital experiences and consistently delivered projects on time with a 95% customer satisfaction rate.	
UI/UX Designer Intern	2026 - 2026
Contributed to the design of user-centered interfaces by applying UI/UX principles and user-focused thinking in real-world projects. Enhanced problem-solving and design accuracy while improving digital experiences, resulting in a notable improvement in design efficiency and technical skills within 2 weeks of intensive practice	
Lead Generation Specialist	2026 - 2026
Sourced and verified email contacts for educational institutions, targeting key decision-makers such as school administrators and department heads. Maintained up to 95% data accuracy through rigorous research and validation, producing clean and structured lead lists for outreach.	
AI Video Annotator	2025 - 2026
Annotated and labeled video datasets to support AI and machine learning model training. Performed object tracking, activity labeling, and data validation while adhering to strict annotation guidelines and quality standards. Achieved a 100% accuracy score based on QA validation and quality checks.	
Project Manager	2024 - 2026
Led the development of a research-based community geo-tagging mobile application for reporting highway issues such as potholes and road hazards. Directed system design, feature planning, and implementation of smart reporting and route optimization features. Conducted gorilla testing with 92% positive user feedback and secured successful client acceptance during evaluation.	
Academic Mentoring Secretary, Social Media Manager	2022 - 2026
Coordinated academic mentoring programs by organizing activities, managing documentation, and facilitating communication between mentors and students. Led social media efforts by creating content and increasing page engagement and reach by 64%.	

EDUCATION

Bukidnon State University Graduated Bachelor of Science in Information Technology (BukSU-BSIT)

SKILLS

Frontend Development
HTML, CSS, JavaScript, React (Frontend Mobile & Web Development)
UI/UX Design
Figma UI/UX Design, Components & Variants, Wireframing, Prototyping, User Flow Mapping, Design Systems, Usability Testing, End-User Research, Augmented Design
Backend & Tools
Basic Laravel Development, MySQL, SQLite, Git, VSCode, Android Studio
No-Code Development
Wix, Framer, Webflow
AI & Data Work
AI Video Annotation, Object Tracking, Activity Labeling, Data Validation, Automated Data Entry, Web Scrapping
Core Competencies
Cross-functional Team Leadership, Communication, Problem Solving, Attention to Detail, Agile Collaboration

CERTIFICATIONS & RECOGNATIONS

University Academic Recognition	Technical & Professional Skills
• Web Designer of the Year (BukSU COT 2026) • University Deans Lister • Service Awardee (Computer Society)	• TESDA Computer Systems Servicing NCII (Proficiency) • TOPCIT Korea Level 2 Test of Practical Competency in IT • Wadhvani Foundation Employability Skills Program
UI/UX & Design	Internship (OJT)
• Accenture Digital Skills: User Experience • Learnify UI/UX Full Course • Learnify UI/UX Design Certificate (BYOL) • Learnify UI Design Certificate	• Project Moonshot IT Solutions: Certificate of Completion
Networking & IT (Cisco)	
• Cisco Introduction to Networks (ITN) • Cisco Introduction to Cyber Security (ITCS) • Cisco Switching, Routing, & wireless Essentials (SRWE) • Cisco Enterprise Networking, Security & Automation (ENSA)
